Superior celebrates State of the Town

Page 23

A community publication of Copperarea.com

One of the traditional markers of a mining town is the first letter of their name being marked on a mountain around them. In Superior, many locals and alumni remember that the S would be lit up for graduation and homecoming football game using smudge pot flares. The tradition of lighting the S ended several years ago as volunteers were scarce and fire dangers increased. Rebuild Superior Inc. helped to fund the purchase of large solar powered lights that were placed on the S during the homecoming week for the Superior Panthers. Residents were surprised to see the tradition re-emerge this past week. Rebuild Superior Inc. Executive Director Manny Guzman, and his father worked to install the lights prior earlier in the week, the organization plans to put them out each year.

OBITUARY

Sandra Carol Lopez

Sandra Carol Lopez born in Auburn New York on Dec. 11, 1938, passed away after a short illness on Aug. 17, 2024. She was surrounded by her loved ones in her treasured home state of Arizona.

Sandra Carol Lopez (Jones) came to Arizona direct from the family farm in upstate New York when she was 10 years old with her parents, Estella (Jane) and Leslie Jones, and her younger sister and brother, Linda (Lynn) and Dave. The family settled in the Chandler and Mesa area where she eventually graduated from Mesa High School in May of 1956. After high school, Sandra attended Northern Arizona University (NAU) in the fall of 1957 and lived in North Hall. She met the love of her life, her beloved and devoted husband of 66 years, Hector Lopez from Superior, AZ in the fall of 1957 at the student gathering place called the ASC Student Union (now the 1899 Bar and Grill) and they were married at the Guadalupe Catholic Church in Flagstaff in 1958. They continued their education at NAU and lived in married housing on campus until 1960. Both Sandra and Hector are lifelong NAU Lumberjack football fans and devoted alumni. They have stayed in close touch with their college friends over the years and have attended most homecoming games with their pals from the 1958 Holiday Bowl Championship football team where Hector played under coach Max Spilsbury. Sandra continued her education after NAU and received her bachelors in education and a master's degree in academic counseling from San Diego State University and began her long successful tenure in education in communities around the Imperial Valley of California from 1960 until 1999. Sandra first started out as a highly regarded elementary and middle school teacher. For the last 25 years of her career, she was a loved and revered high school counselor at Calexico High school where she advocated and guided thousands of mostly Hispanic students to reach their full potential and made sure

that no student was left behind. She was a staunch supporter of students and fought to make sure they were represented with dignity and to the fullest which resulted in uplifting generations of families for many years to come. One of Sandra's most notable traits was her heartfelt, distinct and exuberant laugh that brought people together and warmed hearts. When Sandra laughed, which was often, she lit up a room and brought joy all around her.

In 1999, Sandra and Hector moved back to Mesa, Arizona from California and enjoyed the last 25 years being surrounded by close family especially in Sandra's favorite place, Pinetop Arizona. She and Hector built a large house to entertain friends, family, former students and colleagues. Many new memories and traditions were started and new friends were made over the years that enriched Sandra's life and gave her the delight in living in her beloved White Mountains. She even started a second career as a Special Education teacher at McNary Elementary School in White River for 4.5 years where she enjoyed teaching in the classroom to Apache reservation students and where once again, she made a difference in young people's lives.

Sandra was a kind and loving person, the best wife and mother ever! Truly unforgettable and full of light and love. She made this world a better place and she will be missed dearly by her husband Hector Lopez; daughters, Judi Lopez and Cyndy Lopez Bracero; her son-in-law, Ben Bracero; her cherished grandsons, Cameron Lopez, Aaron Lopez (June Lopez) and David Lopez (Rosario Garcia); and her special great-granddaughter, Clea Lopez, plus her many nieces and nephews. She is preceded in death by her beloved sons, Gary K. Lopez and Lawrence B. Lopez; her parents; and her sister and brother.

Two separate services of remembrance for Sandra Lopez will be held over the next few months. First, we will gather Saturday, Oct. 12 in Superior, Arizona for Rosary and Mass starting at 9:30 a.m. at St. Francis Catholic Church followed right after by a luncheon at St. Mary's. Then on Saturday, Nov. 30, we will come together for a Celebration of Life in El Centro California at her grandson Aaron's restaurant Ursa, located at 612 W. Main St. in El Centro, CA. <https://ursadesert.com> from 11 a.m. until 2 p.m. Uplifting young students and counseling was Sandra's passion and calling in life. A great gift to her remembrance would be a donation to the Calexico education Foundation or IVC education foundation: <https://www.calexicoeducationalfoundation.org/get-involved-1> or <https://www.ivcfoundation.com/>

Another project earmarked for HFI funding includes \$90,000 for a 35-acre project as part of the Oracle Fire District's ongoing community fuels reduction efforts. Superior renews Emergency Air Medical Membership Agreement with PHI Cares

The Town Council of the Town of Superior and Town Manager, Todd Pryor, have approved the air medical agreement with PHI Cares, a division of PHI Air Medical, a leading U.S. helicopter-based medical transport provider. Local residents requiring authorized emergency air medical transport from Town of Superior or its adjacent county, Pinal County, will benefit from no out-of-pocket expenses when utilizing PHI Air Medical thanks to the agreement. The municipal agreement is effective from Sept. 1, 2024 – Aug. 31, 2025.

Importantly, the agreement includes residents not on Medicaid who aren't covered by existing medical insurance or have no third party responsible for their medical transport. In all other cases, PHI Air Medical works with the resident's insurance provider to resolve claims for medically necessary transports to ensure members face no out-of-pocket expenses, so they can focus on what matters most, their recovery.

In emergencies, residents should contact 911. Following a flight, the resident flown or representative on their behalf should notify PHI Cares at 1.888.I.Fly.PHI (1.888.435.9744) and supply the County membership number #038646 and any transport details available.

The local agreement was spearheaded by Carrie Brookshire, who said: "The people of the Town of Superior are a main priority, and the agreement between the Town of Superior and PHI Cares protects residents by offering vital, life-saving services in times of emergency. By renewing this agreement, the residents of the Town of Superior and their household have peace of mind that they are protected in a serious emergency. We urge all residents to pick up their membership cards and seriously think about protecting the rest of their household and themselves when traveling out of county."

For more information, visit <https://phicare.com>.

[com/superior-az/](https://www.phiairmedical.com/superior-az/) or <https://www.phiairmedical.com/>. Inquiries can be directed to membership@PHIAirMedical.com or 855-618-4844, referencing the "Town of Superior" Membership program.

Bullion Plaza Museum to present ‘101 Ways to Die in the Old West in Globe-Miami’

Lovesick cowboys, poor medical knowledge, mining before safety measures were put in place, and many other unique situations caused the early settlers of the Globe-Miami area to live hard lives, and often die in extraordinary ways.

Bullion Plaza Museum’s research assistant, Lee Ann Powers, has been gathering articles from the area newspapers she has been digitizing for the past 12 years, and will present “101 Ways to Die in the Old West in Globe-Miami” for October’s Second Friday presentation, Friday, Oct. 11, at 6:30 p.m. at the museum in Miami.

Because of the subject matter, please be aware that

some of the ways people died were rather graphic, and those who are sensitive are asked to consider this before deciding to attend. Telling the stories of the early settlers, both about their lives and their deaths, illustrates the exceptional people who created our communities, and the hardships and sacrifices they made.

This Second Friday presentation is part of the Old Dominion Days events hosted by the Gila County Historical Society. This presentation is free to the public (donations are appreciated). Round Mountain Baking Company will have coffee and cookies available for purchase.

Hayden remains undefeated after Friday's Homecoming game; Superior and Ray also claim wins

By Nathaniel A. Lopez
Copper Area News

Hayden remains at the top of the 1A rankings following yet another win Friday, this time their own Homecoming game. Ray and Superior, too, claimed wins under the Friday Night Lights.

The Hayden football team held its homecoming last Friday against Baboquivari. The Lobos once again showed up ready to play.

Hayden showed their strong defense by holding off Baboquivari from finding the end-zone. The Lobos came out on top with a final score of 44-0.

The boys will travel to take on Cicero Prep on Friday, Oct. 11, with a kickoff time of 7 p.m.

Superior Panthers
The Superior football team traveled to Cicero Prep last Friday. The boys played tough and it was a nail-biter of a game. The final score of the game was a close 22-20 with a Panther victory!

The boys will host the Ray Bearcats on Friday, Oct. 11, with a kickoff time of 7 p.m. This is the annual Copper Helmet game.

Ray Bearcats
The Ray football team traveled to take on the Duncan Wildkats under the Friday Night Lights. The Bearcats were coming in off of a two-win streak, against Baboquivari and Fort Thomas. The boys played a tough game, only giving up 20 points. The night ended with another

Bearcat win, and a final score of 40-20, continuing their winning streak. The boys will travel to

Superior on Friday, Oct. 11, with a kickoff time set for 7 p.m. Ray will defend their possession of the Copper

Helmet.
San Manuel Miners
The San Manuel football team took a hard loss last

Friday night. The boys traveled to St. David where they were shut completely out. The game had a final

score of 0-49. The boys will travel to take on Desert Heights Prep on Friday, Oct. 11.

Hayden's Tyler Garner (#4) heads down the field ahead of the Baboquivari defenders.

Fourth Annual State of the Town celebrates Superior Superstars

Rebuild Superior Inc hosted the Fourth Annual State of the Town celebration on Thursday. The event is funded by many generous sponsors; their funding aids the organization in hosting the event which celebrates with an annual speech from Mayor Mila Besich.

The event this year included a red carpet walk of fame and photo booth. The evening began with a networking reception catered by Felicia’s Ice Cream shop in Besich Park. The VFW Color Guard presented the colors and Katelynn Commissaris led the Pledge of Allegiance. The event kicked off with a performance by Superior Dance Company.

Rebuild Superior, Executive Director Manny Guzman was the emcee for the evening. He presented two “Spirit of Superior Awards”, one award was given to Billy and

Jenny Holmquist for their investments in downtown re-development and a second was presented to Angel Preciado for devoting her time and efforts serving as President of the Superior Food Bank.

Following the awards and entertainment Mayor Mila Besich gave her annual State of the Town speech. Her speech highlighted the history and impact of the movie industry in Superior as the baseline for her speech. She highlighted the major milestones and progress on projects including the new ambulance, completion of the helicopter pads at the airport, the recent signing of the Project Partnership Agreement (PPA) for the \$2.5 million grant which will fund the pipelines for the Queen Creek Restoration project. She also shared that a new computer lab will be opening above the welding center at the

Superior Enterprise Center. Besich also asked the voters of Superior to support Proposition 486 to keep the Pinal County road maintenance tax.

Besich gave a glimpse into work the Superior Town Council is doing for future planning, including the purchase of the 546 acres of Tonto National Forest which will create additional opportunities for housing and business development. She stressed the importance and need for high quality early childhood education with the loss of the Superior Headstart and she also announced her support for two school board candidates Martin Navarrette and Nick Cruz.

The evening concluded with a final performance from Superior Dance Company, performing a routine to a medley of Selena songs.
